## **Cancellation and Refund Policy**

Due to limited class size, a strict refund policy is in effect at Norcross Institute of Allied Health. It is the responsibility of the student to officially withdraw, in writing, from the classes or program in order to obtain a refund or credit, unless they are administratively withdrawn, in which case the school will notify the student in writing of the date of withdrawal.

1. A student may terminate from a program by submitting **written** notification of withdrawal to NIAH. The official withdrawal date will be the date that a written notification is received. All refunds will be calculated based on the official withdrawal date and total tuition paid at time of withdrawal. **Refunds will be made within 45 days from receipt of written notification.**
2. **Written notification** includes letters sent by mail, fax or e-mail sent to the Administrative office. The date used for refund purposes will be the date the document is received.
3. If a student is involuntarily withdrawn for cause, such as excessive absenteeism, the date used for calculation of tuition and/or refund shall be the last day of attendance.
4. Application fees are non-refundable, unless cancelled within 3 business days. Special ordered items or used items that cannot be resold are also non-refundable.
5. Students who request cancellation within 3 days after signing a student contract and prior to first day of class will be refunded 100% of all monies paid.
6. For a student requesting cancellations more than 3 business days after signing the contract, the tuition to be refunded shall be pro-rated.
7. For a student completing more than 50% of instructional time, the school will not give a refund.
8. Any student who is dismissed for breach of any part of the enrollment agreement or student guidelines will be refunded by the same calculations above.
9. In the event that NIAH has to cancel a program or make substantive changes to a scheduled program, NIAH will make arrangements in a timely manner to accommodate the needs of each student enrolled in the program, OR will refund all money paid by the student for the program of study or course if alternative arrangements determined by NPEC to be equitable to both the institution and the student are not possible.

My signature acknowledges that I have read this document and/or have asked and received clarification on the content and understand the cancellation and refund policy as outlined above.

## **CLASS ATTENDANCE POLICY**

**ATTENDANCE FOR ASSOCIATE DEGREE CLASSES:** Each class is scheduled to study new and necessary material. Therefore, due to the limited class time, each student is allowed to miss **ONLY THREE (3) CLASSES PER SEMESTER**. After three absences, the student may be referred to the School Review Board for further consideration, including the possibility of involuntary withdrawal. This withdrawal would become effective the last day of attendance.

**ATTENDANCE FOR CERTIFICATE PROGRAMS:** Attendance is critical in this program as each class builds on the previous class material. Attendance is one component of the entire grade. If a student is going to be absent or late, it is the student's responsibility to contact the school immediately. Students who miss more than two (2) classes and/or two (2) labs per session for the 12-week programs, or miss more than 20% of the classes and labs for 24- or 48-week programs, **MUST** make up the missed hours, or they will be withdrawn from the program and **MUST** retake the entire session for an additional tuition fee.

### **ATTENDANCE FOR ONLINE COURSES**

According to the Federal Student Aid Handbook acceptable indications of attendance in an online course can include:

- Student submission of an academic assignment
- Student submission of an exam
- Documented student participation in an interactive tutorial or computer-assisted instruction
- A posting by the student showing the student's participation in an online study group that is assigned by the institution
- A posting by the student in a discussion forum showing the student's participation in an online discussion about academic matters
- An email from the student or other documentation showing that the student initiated contact with a faculty member to ask a question about an academic subject studied in the course.
